

## EDUCATION

*Harvard University, Graduate School of Design*  
Master in Architecture, 2013 with Distinction

*University of Michigan, Taubman College of Architecture + Urban Planning*  
Bachelor of Science in Architecture, 2009

FELLOWSHIPS  
AWARDS

*Renzo Piano Building Workshop Fellowship*, awarded to one GSD student annually. 2012  
*Cossutta Prize for Design Excellence*. Finalist. 2011  
*TCAUP Tagge Scholarship* for unusual aptitude and ability in architecture and design. 2009  
*Rogel Award of Excellence* for leadership and community involvement. 2005 - 2009  
*Phi Beta Kappa* for excellence, integrity, and achievement in the liberal arts and sciences. 2009

## PUBLICATION

*Suspense* published in Sofia Borges, Sven Ehmann, Robert Klanten (eds.)  
*Liquid Spaces - Scenography, Installations and Spatial Experiences*. 2015

'Suspense'. *DECO+*. no 139. *Spring New Trends Report 2014*. March, p.48.

*Jewel Box* published in Hanif Kara, Andreas Georgoulas (eds.)  
*Interdisciplinary Design: New Lessons from Architecture and Engineering*. 2013

*City and Typology* published in *Platform 5*, GSD exhibition of student work. 2013

*Flexible Formworks* published in *Platform 4*, GSD publication of representative student work. 2011

*Lock* project published in *Platform 3*, GSD exhibition of student work. 2010

## INSTALLATION

**Kawaii-Me**, backstage fashion show. Coproducer, Venue and Stage Designer.  
Somerville, MA. 2014

**Suspense**, immersive installation. Artist.  
INVIVIA Gallery, Cambridge, MA. September 2013

**Out of Bounds**, exhibition of GSD student work from outside of the GSD. Curator and Designer.  
40 Kirkland Gallery, Cambridge, MA. March 2013

## EXHIBITED WORKS

*City and Typology* exhibited in *Platform 5*, GSD exhibition of student work. 2013  
*Flexible Formwork* exhibited at materials library *Refabricating Tectonic Prototypes* exhibit. 2012  
*Lock* project exhibited in *Platform 3*, GSD exhibition of student work. 2010  
*Detroit Unreal Estate* exhibited at *Wallenberg Exhibition* juried exhibition, Finalist. 2009  
*Architecture of Objects*, exhibition of selected product design work by students. 2009

## LECTURE

**Co(DE)CODE, Design Through Full Scale Installation**, *Wentworth University*. November 2013

**Urban Corridor**, *Harvard University Graduate School of Design, Open House*. November 2012

## JURY

*Wentworth University*. Innovative Educational Design. September 2013  
Aylin Tschoepe

*Harvard University Graduate School of Design, Career Discovery*. Aug 2011, Aug 2013  
Marcela Delgado, Curtis Perrin, Lian Chang

## TEACHING

**Instructor, GSD Skills Workshop.** Summer 2013

Taught digital skills, representation, and history of representation for incoming students without architectural backgrounds.

**Animator, The Architectural Imagination. Instructor: K. Michael Hays.** Summer 2013

Developed and created animations for online intro to theory courses.

**Teaching Assistant, GSD First Semester Core Design Studio. Instructor: Mariana Ibanez.** Fall 2011

Gave one-on-one help between studio meetings to guide concept, development, and representation. Coordinated logistics. Held Grasshopper and rendering tutorials.

**Teaching Assistant, GSD History and Theory. Instructors: K. Michael Hays, Erika Naginski, Eve Blau, Timothy Hyde, Rafael Moneo, Peter Eisenman.** Fall 2009-Spring 2013

Prepared audio and written materials for students with disabilities and course documentation.

Arduino**Studio Pschema, Cofounder.** Watertown, MA. July 2014 - Current

**William Rawn Associates, Architecture Inc. Designer.** Boston, MA. Sep 2013 - Current  
Boston Public Library, Cleveland Clinic Cancer Building, Harvard Business School Convening Hall.

**Renzo Piano Building Workshop, Intern.** Paris, France. Feb 2012 - Aug 2012

Yongsan Landmark Tower, Art Institute of Chicago Extension, and Fielden House.  
Developed formal studies and created scripts for cost, structure, urban, and feasibility analysis.  
Lead team to create models of facade detailing for client and manufacturer. Contributed to meetings with clients, engineers, and stakeholders. Drawing documentation for submittal and archive.

**SINGLE speed DESIGN, Intern.** Cambridge, MA. May 2011 - Sep 2011

Created a winning proposal for invited building competition incorporating historical, play, and media elements. Designed graphics for firm presentations, publications, as well as client marketing.  
Designed and directed fabrication of tensile structure installation at GSD graduation exhibition.  
Created construction drawing sets, renders, and daylight studies.

**Real Estate Academic Initiative, Research Assistant.** Cambridge, MA. May 2011 - Sep 2011

Discussed and created material for publication. Developed grasshopper scripts exploring the role of sustainability and the designer using parametrics in the city.

**Cheng Rong Wu Architect, Intern.** Taipei, Taiwan. May 2010 - Aug 2010

Worked on conceptual design for projects ranging from pavilions to office towers in Taipei. Assisted with site documentation and drawings for Taiwanese code submittals. Developed elevations, sections, plans, and renderings.

## ACTIVITIES

*Volunteer, ArtsUnion* 2013-Present

*Volunteer, SHIFTBoston*, 2009-2011

*Member, Projection GSD*, 2012-2013
